Tours and cadet activities for the afternoon will be announced at a later date.

There is a 2-hour period prior to the beginning of the Social Hour to allow participants to return to their hotels to prepare for the Banquet. Last year there were complaints from several guests about the Conference Center restrooms being very crowded because participants, especially Cadets, were changing and getting ready in them. Attendees will NOT be allowed to use the restrooms as a dressing room or storage place for clothing and suitcases.
